Admission

Our policy on school admissions and school fees is guided by three basic principles:

Equity

Ensuring that the school provides the same basic resources to all learners.

Access

Ensuring that no learner is excluded from attending this school based on ethnicity or religion.

Redress

Offering high-quality education to learners from all communities.

Placement & Assessment

School assessments are based on the Department of Education's National Policy.

We offer the CAPS curriculum, assessing learners through Continuous Assessment (CASS) and external assessment. All work is monitored to ensure marks accurately reflect each learner's performance.

- Learners are placed according to the supporting documentation provided upon admission.
- Progression will only occur if the learner meets the required Departmental Standards.
